Under contract-accepting backup offers. Welcome to refined Florida living in this pristine Lennar Executive Collection sprawling ranch home, ideally situated on an oversized, fully fenced home site, in the highly sought-after Summerlake community of Horizon West. Offering over 2,300 square feet of thoughtfully designed OPEN floorplan living, this four-bedroom, 2.5-bath residence with a three car garage(2 tandem with professionally installed overhead storage) has been used exclusively by the owners as their second home for vacation (never rented out) and feels nearly new, with several appliances never even used. At the heart of the home, the chef-inspired kitchen showcases a GAS RANGE, stainless steel appliances, granite countertops, a generous island with abundant seating, a walk-in pantry, and a dedicated dining area that easily accommodates both casual and formal dining. Glass sliders open to the screened lanai, extending the living space outdoors and overlooking the oversized backyard with ample room to design a resort-style pool, outdoor kitchen, and/or a private oasis tailored to your vision. The kitchen flows seamlessly into the expansive great room, creating an ideal setting for entertaining and everyday living. Privately tucked away, the Primary Suite
